Students With Their Pottery Projects

Carlville Public Schools Foundation

"Providing that extra
measure of excellence."

Who We Are

The Carlinville Public Schools Foundation is an independent, non-profit, charitable (501c3) organization created to provide supplemental funding for district educational programs.

Our Mission...

To solicit donations and bequests for the purpose of awarding grants that develop innovative or vital educational programs, projects, activities, and services which are not or cannot be funded through existing tax sources. Grants are submitted by faculty, staff, and administrators of CUSD #1.

High School Windmill Project

What We Do

We use the thousands of dollars raised through the generous response of individuals, businesses, civic groups, and CHS alums to provide educational opportunities for the students of the Carlinville School District

Recently funded grants:

- Technology
 - iPads
 - Software licenses
